

All-in-one Medical Panel PC

POC-417B/ POC-419B

**Super High-
Performance**

Super High-Performance All-in-one Medical Panel PC

- 17", 19" medical panel PC for clinical review applications
- High performance Intel® Core™ 2 Duo® CPU support
- User-friendly touch screen
- Advanced 802.11a /b/ g/ n wireless network advantage
- Built-in bluetooth for powerful connectivity

■ The Perfect Bedside Entertainment Terminal

The high-performance Intel® Core™ 2 Duo processor makes the POC-4/B series strong platform for bedside entertainment applications. The 17" and 19" LCD size enables clear display for all information. With the support of Intel® Core™ 2 Duo, the POC-4/B series are able to display superior image quality, perfect for entertainment applications. The strong capability of wireless 802.11 b/g/n connection brings more efficient data transmission advantage for bedside applications. The built-in bluetooth provides easy connection with peripheral devices such as headsets, keyboards and mice.

■ Best Image Display Quality

With the support of Windows® Vista™ operating system, the POC-4/B series have superior image processing capability. The upgraded functions of Windows® Vista™ make data processing more efficient and more secure.

■ Value-Added Network Connection Advantage

The POC-4/B series systems each have two Gigabit Ethernet LAN connectors and wireless 802.11 b/g/n network connections, enabling better link quality through accurate network selection. The powerful 802.11 b/g/n/ Wireless connection increases redundancy and ensures reliable network for real-time medical record processing.

* Stand is an optional item

■ Powerful Processing Capability

The POC-4/B series are supported by Intel® Core™ 2 Duo processor. The high performance feature enables complex data processing, perfect for bedside entertainment applications.

■ Bluetooth Module for Perfect Connections

The preinstalled PACSmate bluetooth module provides a wireless connection to a wide variety of peripheral devices, including headsets, keyboards and mice. High speed data transmission through the USB 2.0 interface is perfect for data processing.

■ Reliable Touch Screen Design

The POC-4/B series are equipped with reliable 5-wire resistive type touch screen. The touch screen makes medical order entry much easier when used as an information terminal.

■ IP 65 Front Panel for Best Reliability

The POC-4/B series are designed with IP 65 dustproof and waterproof front panel, allowing easy cleaning with disinfectant Without harming the panel itself.
